A. Although this seems like an easy question, the answer has multiple responses. Wesley's staff to resident ratio can vary and depends on the mission of each unit and the time of day.

Q. May I have my own doctor?

A. Medical services are under the supervision of a Medical Director. The medical staff at Wesley is under contract through Saratoga Hospital to provide primary care services.

Q. May I leave Wesley to go on overnight stays?

A. Residents may leave the unit after signing out at the nurse's station indicating where they are going and for how long. If leaving the facility for a long period, residents should notify your unit coordinator in advance so arrangements may be made for necessary medications while you are away from Wesley.

Q. What type of payment is accepted at the skilled nursing home?

A. Along with private pay, long-term insurance, Medicare and Medicaid will pay for care providing the resident qualifies for these programs.
